

Grand Rapids Neighborhood Watch Program was initiated in order to form a partnership between members of the police department and the citizens within our community to make Grand Rapids a better and safer place for all to enjoy. As part of this program, the Police Department provides citizens with crime prevention advice, as well as e-mail alerts regarding criminal activities. Our citizens are critical to the success of this program and are the eyes and ears of the police department. We welcome and appreciate information citizens observe and report to us.

To receive the e-mail alerts, please do one of the following: complete a small form at Grand Rapids Municipal Office Monday – Friday between 8:00 am - 4:30 pm (4:00 pm on Fridays), call the Municipal Office (715-424-1821) or e-mail us at info@grandrapidswi.org. Please include the following in your e-mail: your name, street address, phone number, and e-mail address.

****If you have previously (prior to September 1, 2011) signed up to receive e-mail alerts, we will need you to do so again. Unfortunately, we experienced a serious computer problem with our program for Neighborhood Watch, which resulted in the permanent loss of all e-mail addresses we had saved! The system is now functioning properly, but we need to obtain all e-mail addresses again.****

NEIGHBORHOOD WATCH PROGRAM

BE ADVISED: It's our job to watch our neighbor's house, NOT YOURS.

Any suspicious activity will be reported to police.
